

Set within 11 hectares of lush gardens and a secluded golden sand beach this luxury resort offers one of the five best Thalassotherapy & Spa Centers in the world. Vilalara is an exclusive location dedicated to your health and well-being, where the demands of civilization are left far behind. With 104 Junior Suites, 7 Suites and 13 Apartments, this resort boasts a Thalassotherapy & Spa Center offering more than 60 different treatments. Dedicated to well-being and the senses, the resort includes six outdoor pools of fresh or sea water and four tennis courts. As far as gastronomy is concerned, there are two restaurants, one of Portuguese cuisine with a twist, featuring innovative recipes and low-calorie menus and the grill restaurant with quality local produce.
